Roadmap to Initial Eligibility

**DO YOU WISH TO PARTICIPATE IN
NCAA DIVISION I OR II ATHLETICS?**

If you wish to participate in NCAA Division I or II athletics, you need to be certified by the NCAA Eligibility Center. You need to qualify academically and you need to be cleared as an amateur student-athlete.

You are responsible for achieving and protecting your eligibility status!

GET ELIGIBLE STAY ELIGIBLE

Preparing to Participate in Division 1 & II Collegiate Athletics

Follow These Tips:

- » Register with the NCAA Eligibility Center (at www.eligibilitycenter.org) at the beginning of your junior year.
- » Complete the registration process. Answer all questions as truthfully as possible. Incomplete or incorrectly reported information can jeopardize your eligibility status.
- » Send your transcripts to the Eligibility Center! How? Request your high school guidance counselor to send your transcripts at the end of your junior year to the address below:
NCAA Eligibility Center
P.O. Box 7136
Indianapolis, IN 46207
- » Send your test scores! How? Remember to enter "9999" code when registering for the SAT or ACT.
- » Request a final certification*! Log back in during your senior year and update any new information and request final amateurism certification.
*Beginning April 1 of your senior year for fall enrollees and October 1 for spring enrollees.
- » Graduate "on time" from high school in eight semesters (four years). This is a requirement if you want to participate in NCAA Division I athletics.
- » Ask your high school guidance department to update its NCAA List of Approved Core Courses.

For a Complete List of Approved Core Courses:

Log on to www.eligibilitycenter.org. Select "Resources," then "U.S. High School Students" and "Are You on Track?" Select "List of Approved Core Courses." Follow prompts to select school by name.

DOUBLE CHECK THAT YOUR CLASSES ARE ON THE APPROVED COURSE LIST!!!

Division I

(16 Core Courses)

- 4 years of English.
- 3 years of mathematics (Algebra I or higher).
- 2 years of natural/physical science (1 year of lab if offered by high school).
- 1 year of additional English, mathematics or natural/physical science.
- 2 years of social science.
- 4 years of additional courses (from any area above, foreign language or non-doctrinal religion/philosophy).

Division II

2013 and after
(16 Core Courses)

- 3 years of English.
- 2 years of mathematics (Algebra I or higher).
- 2 years of natural/physical science (1 year of lab if offered by high school).
- 3 year of additional English, mathematics or natural/physical science.
- 2 years of social science.
- 4 years of additional courses (from any area above, foreign language or non-doctrinal religion/philosophy).

Division I Requirements - Beginning Fall 2015

To be eligible for competition, practice & athletic aid:
Complete 16 core courses with a minimum GPA of 2.3 & equivalent test score (see scale to right)

To be eligible for financial aid & practice ONLY:
Complete 16 core courses with a minimum GPA of 2.0 & equivalent test score (see scale to right)

Time Limitation for completion of core credits:

- First 8 semesters of high-school
- 10 courses must be completed prior to start of seventh semester (senior year)
 - » 7 of the 10 must be in English, Math and Natural Science (with no restrictions on which seven count)
 - » 10 core courses must be used in final academic certification with current achieved grades One additional core course may be completed after graduation if the above requirements are met
